**Subject:** Spring Date for RA visit to Columbia Falls MT CFAC site?

Hi Joe and Mike

The CFAC Community Liaison Panel (CLP) (community group) is looking to schedule their next community meeting in the spring. I know that the RA is interested in visiting the site in the spring and meeting with the community. So that we can work in advance and schedule a good time for everyone, I talked with Ann Green Communications (CFAC Communication Consultant) who had some options for dates and a rough schedule based on a discussion between Mike, Steve and other site team.

- 2 potential dates: Thursday - **May 10 & 17 @ 5:30 @ CFAC site**
- 30 minutes - 1 hour @ CFAC Conference room: Welcome and introductions; CLP meeting; overview of project
- 1.5 hour: CFAC site tour & Q&A; Up to 30 people (not including agency and CFAC entourages); School buses 2 – 3
- 30 minutes +: wrap up and next steps; informal small group/interpersonal interaction, media ops

Ann Green is the POC for Ann Green Communications (304.932.7673). Their aim is to firm up dates and a schedule and include that in their next site update distribution (tbd). Let me know how I can help schedule or if we need to pitch alternative dates. When we can nail down the logistics, I can work with Mike and local community stakeholders to build additional opportunities for engagement at the RA's discretion.

This event will likely garner community, congressional, and media attention.

Thanks Joe
